

## Camp Erin New York City • Children & Teens Grief Support Camp

Camp Erin® NYC is an annual, **FREE**, weekend long bereavement camp for youth ages 7–17 who are grieving the death of a significant person in their lives. Camp Erin NYC is filled with traditional, high-energy, fun, camp activities combined with grief education and emotional support - facilitated by professional staff and trained volunteers. This year due to covid safety concerns, we will be offering a one day, day camp program.

Camp Erin NYC will be held **August 28, 2021**, at Mohawk Day Camp, located one hour from New York City in White Plains, New York. Adult “big buddy” volunteers offer support and companionship for campers as they enjoy a day of camp activities: Waterfront, Arts and Crafts, Creative Music Expression, Remembrance Activities and More....

The COPE Foundation, a New York-based grief and healing organization dedicated to helping parents and families living with the loss of a child, has partnered with Eluna to establish Camp Erin NYC.
